

Who is ArtSpace/Cleveland?

ArtSpace/Cleveland is an organization dedicated to the developing and sustaining affordable living and workspace in a community setting that provides opportunities for artists in all disciplines. ArtSpace is committed to encouraging the principles of sustainable green space standards in realizing this goal.

ArtSpace/Cleveland recognizes the unique and varied needs of dancers, painters, potters, musicians, photographers, sculptors, performance groups and writers, artists and designers.

ArtSpace/Cleveland receives support from the Ohio Arts Council, the City of Cleveland, and the Greater Cleveland Partnership and their non-profit 501-c-3, the Cleveland Development Foundation.

THANK YOU!

What ArtSpace/Cleveland Does

ArtSpace/Cleveland is assisting the artist community, building owners and the city of Cleveland to develop affordable living and working space. With the passage of the **Live/Work Overlay Ordinance** in the City of Cleveland, ArtSpace/Cleveland is continuing its efforts to create a thriving art community environment. Our activities include:

- A web site www.artspace-cleveland.org to serve as a resource for artists, developers and the community at large.
- A workshop and artist live/work studio tour to raise an awareness of this exciting endeavor among building owners, financial institutions, other project owners and the artist community.
- A database of artists seeking space and buildings with available space.
- A quarterly newsletter with timely information on available studios and the artist live-work movement in Cleveland and other cities.
- Grants and funding
- Research adapting the building codes in older industrial buildings to accommodate artist studios.

WHY WE NEED YOU!

An organization, such as ArtSpace/Cleveland, is only as strong and as effective as its support. ArtSpace/Cleveland is dedicated to bringing the best ideas here from across the country. Many cities, including Kansas City, Pittsburgh, Phoenix, Providence, Seattle, Toronto, Minneapolis-St. Paul, Oakland, New York City and Chicago have successfully developed **Live/Work Spaces**. Now, with your help, we can add Cleveland to that notable list.

ArtSpace/Cleveland receives support from the Ohio Arts Council, the City of Cleveland, and the Greater Cleveland Growth Association and their non-profit 501-c-3, the Cleveland Development Foundation.
